

OUR STORIES

Star No.9 Kiwi ferns player Krystal Rota juggles her training commitments, parenting and schooling for her two children and studies. Her daughter, 3 year old Nikayla, has been diagnosed with Nephrotic syndrome and has recently had a kidney transport. As a result of this, Krystal is in and out of hospital on a weekly basis getting blood tests.

To help support Krystal during this difficult time, League 4 Life granted Krystal with the amount needed to cover her transport costs to and from the hospital for the year.

It is with thanks to the support of our members that we can continue to help Krystal, the NZ Disabled Rugby League and others.

ABOUT US

Established in 2011, the League 4 Life foundation has provided financial support those suffering with long term injuries, serious illnesses and disabilities. You can read more in the 'our stories' section of this brochure.

OUR OBJECTIVES

We provide grants to individuals, families and organisations to ensure our community is supported through difficult times. Our two main focus areas for these grants are as follows:

Creating Opportunities

To provide financial support for people involved in Rugby League that would otherwise be improbable due to injury, disability or hardship

Health & Recovery

To provide financial support for rehabilitation after injury, including towards medical bills and in home equipment.
